Attn: Mr. Mark Beason

Subject: Hangar 3 Hazard Remediation Project, Moffett Federal Airfield, NASA Ames Research Center, Santa Clara County, California (NASA_2019_1216_001)

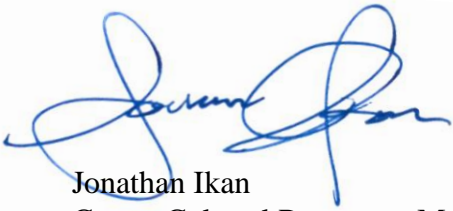

Dear Ms. Polanco:

Thank you for your letter dated August 21, 2020 with your concurrence on NASA's Finding of Adverse Effect for the Hangar 3 Hazard Remediation (Demolition) Project at NASA Ames Research Center (ARC). For the next step in the Section 106 consultation process, NASA ARC is providing the attached draft Memorandum of Agreement (MOA) for your review and comment. The proposed mitigation measures in the draft MOA reflect recommendations discussed during our meeting on December 1, 2020.

Pursuant 36 CFR § 800.6, NASA ARC is inviting the Advisory Council on Historic Preservation to participate in consultation along with other consulting parties, including the Moffett Field Historical Society and the City of Mountain View. NASA ARC is providing a copy of the draft MOA to the other proposed signatories and consulting parties for their input to develop appropriate mitigation measures.

Please provide a response at your earliest convenience. Please contact me at jonathan.d.ikan@nasa.gov or at (650) 604-6859 with your comments or questions.

Sincerely,

Jonathan Ikan
