Attn: Mr. Mark Beason

Subject: Hangar 3 Hazard Remediation Project, Moffett Federal Airfield, NASA Ames Research Center, Santa Clara County, California (NASA_2019_1216_001)

Dear Ms. Polanco:

Thank you for your letter dated March 22, 2021 that accompanied your comments on the draft *Memorandum of Agreement Between National Aeronautics and Space Administration Ames Research Center, the California State Historic Preservation Officer, and the Advisory Council on historic Preservation Regarding the Planetary Ventures Hangar 3 Hazard Remediation Project, Moffett field, Santa Clara County, California* (MOA). Attached is the revised MOA in response to your comments and comments from the Advisory Council on Historic Preservation (ACHP).

NASA ARC is providing a copy of the revised MOA to the other proposed signatories, including the ACHP, and other consulting parties, including the Moffett Field Historical Society and the City of Mountain View, for their input to develop appropriate mitigation measures. Additionally, it will be posted on the NASA ARC Historic Preservation Office public website at <https://historicproperties.arc.nasa.gov/section106.html#hangar3>.

Please provide a response at your earliest convenience. Please contact me at jonathan.d.ikan@nasa.gov or at (650) 604-6859 with your comments or questions.

Sincerely,

Jonathan Ikan
Center Cultural Resources Manager
