Dear Mr. Ikan:

The California State Historic Preservation Officer (SHPO) has received NASA's July 25, 2018, emails transmitting the draft Memorandum of Agreement and draft Archaeological Data Recovery Plan. NASA submitted these documents to continue consultation regarding an undertaking at NASA Ames Research Center (ARC). NASA is consulting with the SHPO in order to comply with Section 106 of the National Historic Preservation Act of 1966 (54 U.S.C. §306108), as amended, and its implementing regulations at 36 CFR Part 800.

With this letter, the SHPO transmits comments on both the draft Memorandum of Agreement and draft Archaeological Data Recovery Plan and looks forward to continuing consultation regarding this undertaking.

If you have any questions or concerns, please contact Mark Beason, State Historian, at (916) 445-4047 or mark.beason@parks.ca.gov.

Sincerely,

A handwritten signature in blue ink, appearing to be "JP", with a long horizontal line extending to the right.
