Attn: Mr. Mark Beason

Subject: Notification of Archaeological Data Recovery Report P-43-000039/CA-SCL-19
Navigational Aids, Airfield Lighting, and Signage Replacement (NAVAIDS) Project
at the Moffett Federal Airfield, Santa Clara County, CA (NASA_2017_0605_001)

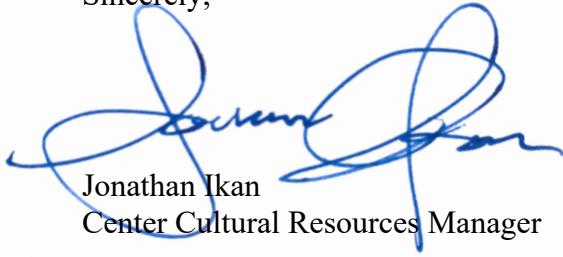

Dear Ms. Polanco:

The National Aeronautics and Space Administration Ames Research Center (NASA ARC) is submitting the attached *Draft Archaeological Data Recovery Report P-43-000039/CA-SCL-19 NAVAIDS Project, Moffett Federal Airfield, Santa Clara County, California* prepared by PaleoWest Archaeology to document the data recovery activities covered under the Memorandum of Agreement (MOA) between NASA ARC, the State Historic Preservation Officer (SHPO), and Planetary Ventures, LLC, which the SHPO signed on October 19, 2018, regarding the NAVAIDS Project (project or undertaking).

Pursuant Stipulation IV (Reporting Requirements) B (Schedule and Review), NASA ARC is distributing the data recovery report to the MOA signatories and other consulting parties for a review and comment period of 30 calendar days. NASA ARC requests your review and comments on the draft report. Comments, if any, will be addressed in the final draft of the report, which will then be submitted to the consulting parties, the SHPO, and the Northwest Information Center.

Please contact me at jonathan.d.ikan@nasa.gov or at (650) 604-6859 with your comments. If you have specific questions about the draft data recovery plan, please contact Jay Rehor at jay.rehor@aecom.com or (510) 874-1726.

Sincerely,

Jonathan Ikan
Center Cultural Resources Manager
