\*B10. Significance: Theme Cold War Area United States

Period of Significance 1946-1989 Property Type Military Applicable Criteria G

(Discuss importance in terms of historical or architectural context as defined by theme, period, and geographic scope. Also address integrity.)

This Cold War-era building is considered a support building, a type found at any Naval installation regardless of mission. It is therefore not of exceptional national significance and is not considered eligible for the National Register of Historic Places (Criterion G).
